Timber,

Please remind me again how you want REOC finance to let you know of R6 employees working HHR that are not deployed?

Lisa

Subject: Add 2 Employees To Harvey Mission Assignment (MA) Request

Hey Lisa,

Please add the following individuals on the Hurricane Harvey Response MA authorization for payroll. Currently we will not get paid overtime for the hours worked as we were not added to the Mission Assignment as an authorized employee.

William G. Johnson Jr.
Kellon B. Pearson

I'm guessing that EPA employees from previous responses were automatically added as many of them can already see the Harvey line on their Employee Express, however newer employee's aren't on the authorized list.

Please let me know if I can help in any way to resolve this issue.

Best Regards,
Billy
